

REMARKS

In accordance with the foregoing, the specification and claims 1 and 2 have been amended. Claims 1 and 2 are pending and under consideration.

REJECTION UNDER 35 U.S.C. § 101:

In the Office Action, at page 2, claims 1 and 2 are rejected under 35 U.S.C. § 101 because the claimed invention is directed to non-statutory subject matter. The reasons for the rejection are set forth in the Office Action and therefore not repeated. The rejection is traversed and reconsideration is requested.

Claims 1 and 2 recite that the real estate purchase information is received from a registered member and that accuracy information is received from a user. Support for the same may be found in the Specification at page 4, line 34 to page 7, line 11 and at page 8, line 8 to page 11, line 26.

REJECTION UNDER 35 U.S.C. § 112:

In the Office Action, at page 3, claims 1 and 2 are rejected under 35 U.S.C. § 112, second paragraph, for the reasons set forth therein. Claims 1 and 2 have been amended to improve clarity of the claim. Support for the amendments may be found in the Specification at page 1, lines 13-21 and at page 4, line 34 to page 7, line 11. In addition, the recitations of the presently claimed invention are supported in FIGS. 5-8 and corresponding description provided on page 3, line 33, to page 13, line 1.

Accordingly, it is respectfully requested that the rejection to claims 1 and 2 be withdrawn.

CONCLUSION:

In accordance with the foregoing, it is respectfully submitted that all outstanding objections and rejections have been overcome and/or rendered moot, and further, that all pending claims patentably distinguish over the prior art. Thus, there being no further outstanding objections or rejections, the application is submitted as being in condition for allowance, which action is earnestly solicited.

If the Examiner has any remaining issues to be addressed, it is believed that prosecution can be expedited by the Examiner contacting the undersigned attorney for a telephone interview to discuss resolution of such issues.

If there are any underpayments or overpayments of fees associated with the filing of this Amendment, please charge and/or credit the same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
